Hosted at Schrader's Outdoors
16090 Oakland Road
Henderson, MD 21640
410-758-1824

The Washington College Trap and Skeet Team (WCTS) is the newest Varsity Sport at Washington College in Chestertown, MD. The organization is made up of general and competition members that shoot for fun and compete in collegiate competitions, as well as the National Championships in San Antonio, TX. WCTS raises money throughout the year in order to cover the cost of our practices and competitions. It takes on average about \$1,300 per member to attend the National Championships. WCTS will send up to

10 members to Nationals each year. Our first year competing at nationals was the 2013-14 season. We returned with a strong team in 2017 and continued to improve our finishes among ACUI Division 3 athletes and schools. Along with a strong team finish, two of our athletes placed in class championships in International Wobble Trap. Through our partnership with Caesar Guerini and Fabarm WCTS members continue to have access to the excellent shotguns and service provided by these companies. We would like to thank Caesar Guerini and Fabarm USA for the help and service they have provided the team over the years. We would also like to thank the staff at Schrader's Outdoors, all of our sponsors, and our family, friends and supporters in the community.

| Udel Sept Match - D. Murdock 1st Place Lady | ACUI E. Coast - B. Demas 4th Super Sporting |

Marvin B. Coppage

This year the Washington College Trap and Skeet team will be honoring a long time friend of the organization, Mr. Marvin Coppage. Marvin was a devoted shooter and hunter and our paths often crossed at different local clubs and events. He was always willing to lend a hand and give advice to members of WCTS. Marvin would always greet us with a smile and was happy to hear the successes of the team. Since his passing in October 2015 a fund has been set up in his name to promote youth shooting and hunting education. To honor his memory and to continue our mission of firearm education and safety, we will be donating

a portion of this year's proceeds to The Marvin B. Coppage Children's Hunter Education Fund.

More information regarding this fund and program will be available at the benefit shoot.
