

2018

This is a fun and exciting camp for kids is 100% hands on with a strong focus on safety and education taught by certified instructors.

The Ultimate Outdoorsman Summer Camp is a safety based program that teaches boys and girls about outdoor sports. It introduces the campers to the proper and safe methods for shotgun shooting, .22 rifles, air rifles, archery and fishing. Campers learn to shoot sporting clays, rifle competition targets bull's eye and 3D archery targets. Fishing covers knots, tackle, bait, safety and is followed by fishing in our stocked bass ponds.

They will see live retriever dog demonstrations, learn about waterfowl blinds, decoy placement, tree stand and ground blinds and will leave with a safe and knowledgeable foundation for a lifetime of enjoying the great outdoors.

The Ultimate Outdoorsman Summer Youth Camp's goal is to introduce young people into outdoor sports in a safe and supervised manner so that they can learn the various forms of outdoor sports that are available to enjoy for an entire lifetime. The different shooting sports the children will be introduced to are both United State Olympic as well as high school and college sports with scholarship opportunities.
