

## **Schrader's Outdoors Essential Operations Update**

Schrader's Outdoors is as excited as you are to re-open. We would ask that you take a few moments to review the following operational adjustments we are making in order to keep all our customers, their families and our team safe.

Schrader's may make further adjustments as circumstances and state/federal directives evolve.

- Only TEN people will be allowed in the Schrader's Office building at any time. This is inclusive of the employees, community members and Schrader's Outdoors Members.
- In order to access the Schrader's Office building, a mask or cloth face covering will be required to be worn as this is a retail space per state and federal guidelines.
- Masks and face coverings are not required outdoors unless an individual is unable to practice social distancing.
- Schrader's Outdoors will offer hunting and fishing adventures with no more than TEN people per adventure, including the guide (s).
- Schrader's Outdoors Sporting Clays, Five Stand, Wobble Trap, 3D archery and Rifle Range will be open with no more than TEN people per group.
- Given the nature of these activities, Schrader's Outdoors, reserves the right to rotate/divide groups of TEN into smaller groups of FIVE to accommodate state and federal social distancing requirements.
- Outdoor Training will occur with groups of FIVE (not including the instructor).
- Social Distancing requirements:

  - If you are providing instruction to an individual, please wear a mask or face covering if, due to firearms safety requirements, you must be closer than SIX feet to the individual.
- In accordance with CDC guidelines; If you are sick (fever, cough, shortness of breath, chest pain or extreme fatigue), please call your health care provider and stay home. We will be here when you are well.
- Our entire team welcomes you back and THANKS YOU in advance for following these guidelines. If you have any questions, please stop by the office or call: 410 – 758 – 1824
