

GRADY TODD PURDY MEMORIAL SHOOT & VENDOR EVENT SUNDAY, SEPTEMBER 8TH, 2024

Grady's Story

On September 3rd, 2022 we welcomed our handsome one pound seven-ounce baby, Grady to the world. Grady was considered a micro preemie and we spent eleven stressful, amazing days in the NICU by his side. He fought so incredibly hard but we had to say "see you later" to our sweet boy on September 14th, 2022. In loving memory of our son, we are excited to host alongside Schrader's Outdoors, LLC the 2nd annual Grady Todd Purdy Memorial Shoot & Vendor Event with ALL proceeds to benefit Johns Hopkins Neonatal Intensive Care Unit.
